Dear Members:

Wednesday, April 20th, marks a very important milestone for the Baltimore County Historical Society. At this time we will hold our first annual meeting at the Towson Y. M. C. A. at 8:00 P. M.

As called for in our By-Laws, the Nominating Committee consisting of Mr. John Gontrum, Chairman, Miss Geneva Robinson and Mrs. Bland Goodwin, presented a slate of officers and one director at our last meeting held in March. The election will be held at the forthcoming annual meeting.

The past meeting on March 30th was a very interesting one and it setup a great deal of enthusiasm for our forthcoming tour of the Reisterstown Area. Mrs. Goodwin's committee will report on final arrangements.

A second tour is planned for June 21st of the Sparrows Point Plant, Bethlehem Steel Company. The committee will have information concerning transportation, etc. at the meeting.

After the business meeting we are looking forward to a most delightful talk by one of our members, Dr. William Sebastian Hart. Dr. Hart will enlighten us on some unusual phases of music.

As a final touch to this historic meeting, Mrs. John S. Biddison, the newly appointed chairman of the Women's Committee and some of her members are preparing refreshments and a little surprise for members and friends - don't miss it!

Sincerely,

Mary Wise,
Program Chairman
